## CORPORATE OVERVIEW

### Company Overview

CIMRO is a not-for-profit quality improvement organization with greater than 37 years of medical management experience. Over the years, our focus has evolved from traditional medical record case review to continuous quality improvement. CIMRO utilizes a collaborative approach to positively impact the quality of patient care. Our extensive network of experts includes:

- ❖ Nearly 700 physician reviewers representing all major specialties and subspecialties
- ❖ Registered nurses
- ❖ Case managers
- ❖ Data and research analysts
- ❖ Health information management professionals
- ❖ Information technology experts
- ❖ Project managers with extensive healthcare experience
- ❖ An experienced leadership team

CIMRO's extensive resources enable us to offer a comprehensive array of services. CIMRO currently performs independent/external peer review throughout the United States.

### URAC Accreditation

CIMRO was awarded full accreditation by URAC as an Independent Review Organization in 2009.

### Our Mission

CIMRO provides information and resources to government, business, healthcare providers and related organizations to support improvements in the appropriateness, cost effectiveness and quality of patient care and outcomes.

### Our Vision

Pointing the Way to Quality – A peer review partner now and for the future.

### Our Values

**Communication** – We commit to an open exchange of information that leads to clarity and understanding.

**Integrity** – We commit to ethical conduct in all interactions.

**Mutual Trust** – We will build and maintain relationships that result in credibility.

**Respect** – We will treat others as we would like to be treated.

**Organizational Teamwork** – We will work together toward common goals in pursuit of excellence.
